## THE PROGRAM DONATES TO POOR KIDS AT THE KINDERGARTEN IN PHU BINH WARD IN GROUP11

Morning on May 25, CESR and the local government handed out gifts to 12 children living in Phu Binh ward. The kindergarten regarded as the class which is set up to meet the demand of kids of more than 100 households living in the slump. There is currently 22 children ( from 4 to 6 years old) in the class. In June of this year, 12 kids will finish their courses in preparation for 1 grade. Collaborating with different funding sources, the program granted school bags to 12 children. Moreover, the program held a party with cakes, candy for kids on International children's day on June 1. The certificates of merit received by children will encourage them to develop confidence and exert in academics. Besides, the program's aim is to help the parents to maintain daily savings. The program closed in the warm and cheerful atmosphere. Its success makes a great contribution to draw the intention to poor kids, their parents and overseas sponsors and opens up a brilliant future for children in participation of local people and organizations.
