

AMERICAN STUDENTS RESPOND TO THE PROGRAM ON HOLIDAY CAMP ENTITLED: “RETURNING THE CENTRAL” IN HUE.

On 2 July, a program on holiday camp entitled “returning the Central” takes place in participation of American students.

The program is hosted by People’s Aid Coordination Committee (PACCOM) is of Friendship of Hue Foundation (FHF) in coordination to American Academy of Pediatrics (AAP) of Project Vietnam and Vietnam Youth’s Union in Hue city.

The program attracts the participation of American-Vietnamese students with 76 members including 5 doctors and the others of students. Moreover, they engage in exchange with FHF and then they are divided into two groups to perform a clinic program at the communes of Thua Thien Hue province. A group of them takes responsibility of medical examination and medicine grant to 1,600 people in the communes such as: Quang An, Quang Ngan and Sia Town in Quang Dien district. The others join in medical examination and dental care for street children on 130 Chi Lang street in Hue city and in Quang Ngan’s kindergarten. Besides, they engage in the activities such as cultural exchanges between two countries, folk games and some other extracurricular activities such as: visit historical sites, go shopping, and outdoor activities in Hue.

The program with the subject “Return the Central” in Thua Thien Hue province will tentatively complete on 6 July.
